HEALTH and SAFETY EXHIBITORS AGREEMENT
 (In terms of Section 37 (2) of the Occupational Health and Safety Act 85 of 1993 as amended)

Written agreement between

Specialised Exhibitions
 (Employer)
 and

_____ Reg. No. _____

(Exhibitor or their Mandatory)

as envisaged by Section 37 (2) of the Occupational Health and Safety Act 85 of 1993 as amended (as recorded in the annexure A as printed on the reverse).

I, _____ representing _____ **(the Mandatory)** do hereby acknowledge that I/the Mandatory am/is an employer in my/its own right with duties as prescribed in the Occupational Health and Safety Act No. 85 of 1993 as amended, and agree to ensure that all work will be performed, or machinery and plant used, in accordance with the said Act. I/We furthermore agree to comply with the requirements of **Specialised Exhibitions (the Employer)** as contained in the documents attached hereto or as notified to me/us from time to time in writing by the Employer, and to liaise with the Employer (or his representative) should I/we, for whatsoever reason, be unable to perform in terms of this agreement.

I, _____ in my capacity as the owner/member/manager or _____ hereby appoint _____ as my representative and responsible person to supervise all work on the premises of **Specialised Exhibition**.

I/We hereby indemnify the Employer against any liability, loss or proceedings whatsoever, whether arising in common law or by statute, consequent on personal injuries or the death of any person whomever (including claims by my/our employees and their dependants) or consequent on loss of or damage to any movable or immovable property arising out of or caused by or in connection with the execution by me/us of all or any work as envisaged in terms hereof.

Signed this _____ day of _____ 20 _____ at (Venue) _____

Signed on behalf of **Specialised Exhibitions** _____ (Employer)

Signed on behalf of _____ (Mandatory)

See Annexure A Overleaf

EXHIBITION
 STAND NO.

TERMS AND CONDITIONS

1. All requirements of Occupational Health and Safety Act 85 of 1993 and Regulations [as amended] shall be adhered to.
2. Any other statutory requirements pertaining to the area of exhibition shall also be adhered to.
3. Section 37 - Acts or omissions by employees or mandataries.
Subsection B (2) states that the employer shall be liable for any acts or omissions by any of his/their/its employees and/or mandataries, except if the parties have agreed in writing to the arrangements and procedures between them to ensure compliance by the mandatary with the provisions of this Act.
4. Where any activity during build-up and/or break-down periods, is of such nature that it could cause injury to anyone, or damage to the environment, all reasonable practicable preventative measures shall be implemented to ensure health and safety and/or impact upon the environment.
5. No dumping of any hazardous chemical substances is permitted into any drains and/or waste bins. Same shall be disposed of in terms of the Hazardous Chemical Substances Regulations of the Occupational Health and Safety Act 85 of 1993 as amended.
6. Should any chemicals, gasses and/or substance be required to be used during build-up, or break-down and/or show periods then all relevant material safety data sheets are required prior to use.

Contractors undertaking construction or display on behalf of exhibitors must complete this form and return it to the Organisers at least 30 days before build-up. All drawings must be submitted to the CTICC contact listed below for approval at least 30 days before build-up.

Contractor Company Name: _____

Contractor Contact Name: _____

Tel No: _____ Cell Phone: _____

Fax No: _____ E-mail Address: _____

Postal Address: _____

Authorised signatory for contractor: _____

Name: _____ Date: _____

We agree to abide by the company's standard terms and conditions of contract, with specific reference to:

1. Use of official contractors.
2. Stand constructions must be completed by 18h00 on 24 October 2011. At this time stand builders are to hand over completed stand to Exhibitor. Stand dressing to be completed by 18h00, 24 October 2011. The Organisers reserve the right to impose a penalty of R500 per hour thereafter.
3. The complete removal of all waste and display material upon completion of build-up.
4. The complete removal of all waste and display materials from the CTICC upon completion of break-down; Hall must be cleared by 13h00 on 29 October 2011. Any costs incurred by the organiser for the removal or storage of material will be invoiced to the exhibitor.
5. Fire prevention regulations.
6. Stand completion times.

NOTE: During build-up a level 6 Paramedic will be on duty until 18h00. Any exhibitor or contractor working after that time doing high risk work or working at height is required to book and pay for their own paramedic through the Official supplier MMC (Pty) Ltd.
Contact: Genevieve
Tel: 083 307 6800 or (011) 794 3218
Anyone found in breach of the above will be removed from the Halls only to resume work the next day.

Approval of plans: All plans must be sent to Sherwyn Thompson and carbon copied to Nolene at CTICC, and Amelia at Specialised at least 30 days before build-up.

**PROPAK
CAPE 2011**
PACKAGING • PROCESSING • PRINTING • PLASTICS

Please pass this Form on to the person or company contracted to build your stand

Please see the Event timetable on Page 8 of the manual, as well as some of the Rules and Regulations which form part of the contract between the Exhibitor and the Organiser.

Please pay special attention:

1. Should only one exhibitor wish to exceed 2,5m height or to build a double-storey stand subject to permission from the Exhibition Director, it shall be responsible for both sides of the dividing wall above 2,5m. This must be of a solid construction, suitably finished and decorated on the reverse side in a colour acceptable to the adjoining exhibitor, but carrying neither titles, devices, advertising matter nor exhibits on the elevation overlooking the single-storey stand. The dividing wall must be erected and dismantled throughout its total height by the exhibitor exceeding that height. Failure to comply with this regulation may result in the Organiser completing the work at the expense and risk of the exhibitor at fault. This will also apply to an exhibitor failing to erect partitioning between its own and the adjacent stand as well as to any exhibitor erecting a common partition of less than the height specified, except by mutual agreement.
2. No part of any stand or exhibit, including fascias, signs, corner posts or fittings, shall project into or overhang any aisle or obscure any fire or exit signs.
3. In a continuing vein, the freedom of all aisles is essential for the build-up and dismantling of the exhibition. No one may erect or place any scaffolding, trestles, cranes, hoists or other equipment or material which will impede, delay or stop work on any other site or in the aisles. It is also the responsibility of the exhibitor and its agents and employees to keep aisles clear (so far as is reasonably possible) of materials, packing cases, rubbish and equipment.
4. Fire alarms, hydrants, extinguishers, exit signs etc., must not be masked or obstructed.
5. To avoid a 20% surcharge, please ensure all orders plus payment reach us by no later than 19 September 2011.
6. The officially appointed electrical contractor shall have the right to enter any stand and examine the electric wiring, lighting, motors and accessories. All electrical contractors working on the exhibition stands shall supply the Organisers upon request with a Certificate of Compliance. **RIPCORDER IS NOT ALLOWED IN ANY CIRCUMSTANCES WHATSOEVER.** The Organiser reserves the right to refuse the connection of any stand not in compliance with applicable regulations and to limit the supply to any consumer.
7. No machining or cutting will be allowed in the Halls.
8. Stands must be completed by the deadline of 18h00 on 24 October 2011, to allow for final dressing and cleaning by the Organisers.
9. All stands must clearly display the stand number - this assist's fire fighting and medical personnel to quickly find the exhibitor's site.
10. Should the stand or structure exceed 2,5m in height, or be a 2-storey structure, or have a raised floor or staircase, a drawing must be submitted to the contact person below. The drawing must also be accompanied by a letter of approval from a structural engineer. The plan must incorporate; front, side and top elevation, and be submitted at least 30 days before build-up.

Contact: Sherwyn Thompson
Tel: (021) 410 5000
Fax: (021) 410 5191
Email: sherwyn@cticc.co.za
c.c. nolene@cticc.co.za
c.c amelia@specialised.com

Non-compliance may result in permission to construct the stand being withheld on site. Only those companies with approval will be allowed access to the stand.

Form 4

Exhibitor Name Badges

Fax to: +27 11 496 1313

SPECIALISED EXHIBITIONS (PTY) LTD
PO Box 82196, Southdale 2135, South Africa
E-mail: amelia@specialised.com

Exhibitors must collect their badges when they register during build-up at the Organisers office.
Exhibitor badges are for exhibitors staffing the stands and are not to be ordered for friends or visitors.
Please make sure that this form is submitted in good time. The delivery times of badges that have to be produced on site will be as follows:

- Names handed in before 11am: ready after 4pm
- Names handed in after 11am: ready the following morning

Exhibitors who will be making use of their own corporate badges must still display the Propak Cape 2011 exhibitor badges to gain access to the hall.

PLEASE PRINT CLEARLY

1. Electrical Usage/Consumption	EQUIPMENT TO BE USED ON THE STAND	KILOWATT RATING	AMPERAGE
It is important that the electrical contractors appointed to the event know which appliances will be utilised at the event since they need to plan electrical distribution within the constraints of the venue. Kindly list the electrical equipment you will be using on your stand, plus the power they draw. Should information given not be correct, the Organisers reserve the right to insist on extra electricity being ordered if available or alternatively prohibit the use of extra items.			

NB: The cost of distribution boards includes un-metered electricity charges.

Please use the grid to indicate as accurately as possible the desired location of the items you are ordering. Use codes on Form 5 for easy identification of items.

Grid shows each square at 500mm x 500mm or 1m x 1m

Back

Side
Side

Front

NOTE:

Should this form not be returned, the electrician will use his discretion in siting electrics. In the event that electricians then need to be moved, there will be an additional charge.

Please tick if you are having a raised floor on your stand

In the event that you are, please ensure that the design incorporates a trap door - essential to re-set earth leakages located in the ducts.

Please tick if you are having a double-storey stand

 PO Box 82196, Southdale 2135, South Africa
 E-mail: amelia@specialised.com

For those exhibitors who have contracted for a package deal, cleaning is included in the package.

1. A stand cleaning service (vacuuming of carpeted floor areas, emptying of dustbins) is available from the Organisers. Cleaning will be done between closing time in the evening and opening time the following morning. CLEANERS WILL NOT CLEAN OR DUST EXHIBITS.

Exhibitors must ensure that the cleaners have access to all areas where cleaning is required.

2. All stands and aisles will receive a pre-clean on the evening of **24 October 2011**, whereafter only those stands which have booked cleaning will continue to receive the service.

The cost of stand cleaning is for the duration of the show.

ZFC	Price for stand cleaning is R36.00 per square metre. Square metres required	R

Please Note:

Payment to be made to Specialised Exhibitions (PTY) Ltd.

Whilst the Organisers provide general security on site and in the exhibition halls, it should be noted that Exhibitors are responsible for the security of their stand and its contents, including any items on hire.

No security personnel, organisation or service, other than the company appointed by the Organisers, may provide service on the premises. The Organisers and their contractors do not accept responsibility for the security, loss or theft of or damage to goods or property.

This service is only available for those exhibitors with Shell Scheme.
 Includes patented quick-lock system. System delivered and assembled to exhibition stand and collection at end of rental period.

Service will not be provided until full payment has been received.

Exhibitors will be charged at the ruling daily rates should their hired expo screen not be available for collection by 10h00 on 28 October 2011.

**PROPAK
 CAPE 2011**
 PACKAGING • PROCESSING • PRINTING • PLASTICS

1. If you only have one machine to be connected, you need to order 1x1st Connection. If you have more than one machine, you need to order 1x1st Connection and as many additional connections as you need [one per machine].
2. For safety, it is recommended that when volume required exceeds **30cfm**, only 22mm polycorp pipe should be specified.
3. Provision must be made for pressure regulators as air will be supplied at 7Bar (700Kpa).
4. Exhibitors must make provision to remove condensate from compressed air lines.
5. **Air will be supplied from 22-27 October 2011.**
6. Each air supply line will terminate with a Fullway Gate Valve. [Exhibitors are responsible to then connect to own machinery]
7. The service can only be provided relevant to the position of the stand in the hall. Some stands do not have access to ducting in the floor. Regrettably we cannot provide the service to outdoor stands.

CODE	DESCRIPTION	QTY	RATES	
CAC	Basic cost of supply to stand [COMPULSORY]		R 1200.00	R 1200.00
CA15	15mm - First Connection		R 1540.00	R
CA15A	15mm - Additional Connection		R 675.00	R
CA22	22mm - First Connection		R 2065.00	R
CA22A	22mm - Additional Connection		R 965.00	R
			Sub Total	R
			VAT	R
			Total	R

WE REGRET WE CANNOT ACCEPT ORDERS FOR
 COMPRESSED AIR AFTER 20 OCTOBER 2011
 AS UNDERFLOOR DUCTS WILL HAVE BEEN CLOSED.

Please indicate what volume of air will be required.....cfm (cubic feet per minute)
 [We need this information to calculate the size of compressor we will need to supply the entire exhibition.]

Location Plan

BACK

SIDE														SIDE

FRONT

Fact Sheet: As cubic feet per minute is the most common volume used, all volume should be calculated in cfm

Conversions: cubic metres per hour	$\frac{m^3/h}{1,699} =$	cfm
Litres per second	$\frac{l/s}{0,472} =$	cfm
Litres per minute	$\frac{l/min}{28,32} =$	cfm

NOTE: Up to 30cfm it is safe to work with 15mm polycorp pipe, but thereafter, one should go to 22mm.

PRESSURE EQUIVALENT TABLE

PSI	Kg/cm3	Bar	kPa	MPa
75	5,27	5,17	517,24	0,51724
100	7,03	6,89	689,65	0,68964(7 Bar)
125	8,79	8,62	862,06	0,86206
150	10,64	10,34	1034	1,03448 (10 Bar)

NOTE: The above services can only be provided relevant to the position of the stand in the hall. Some stands are not served by ducting in the venue floor. A waste or water point is supplied up to a maximum of 3 metres of pipe and fittings to the closest connection. Any requirement in excess of 3 metres will attract an additional charge of R70.00 per metre. All pipe work will be above floor if ducts not available.

EXHIBITION
 STAND NO.

Fax to: +27 21 380 6651
 E-mail: chantal.oshea@micor.co.za

Specialised Exhibitions have appointed Micor Events as the official transportation and exhibit handling contractor for this event. They will co-ordinate the movement of International Exhibits from their various points of origin through South African seaports, and International Airports to the Exhibition Stands.

Responsibilities at the CTICC are:

- Free porters with trolleys to assist exhibitors to unload and reload their vehicles
- A forklift can be made available on site. Please request a quotation.
- Controlling the loading bays to ensure that each exhibitor gets the same opportunity to enter the loading bay to off-load/re-load exhibits
- Traffic control

It is therefore very important that this form is filled out correctly and faxed to us in good time so that we can plan and have all the necessary manpower and equipment on site.

IMPORTANT INFORMATION TO REMEMBER:

Once your vehicle has been off-loaded, it **MUST** be removed to the parking area, P1, P2 or P3 allocated by the Organisers. Under no circumstances would you be allowed to park in the Marshalling Yard.

PLEASE NOTE: should we not phone you, please take your delivery date and time as confirmed.

Description of Freight/Exhibits	
Number of Pieces	Description of goods
_____	_____
_____	_____

Delivery date:	Delivery time:

Site handling requirements: [please tick the appropriate box]

- Labour Local transport
 Forklift Cranage

Standard Trading conditions:

All work is undertaken in accordance with our Standard Trading Conditions and endorsed by the CTICC.

Important:

If this form is not filled out correctly, signed and returned a day before the delivery date it will result in delays in completing the work description.

Porters may not be used to build/paint the stand. Micor Events can supply labour by prior arrangement.
